2. Collect and bring five different grade examples of the same coin type (Requirement 3).
3. Collect and bring five different state quarters you have acquired from circulation (Requirement 6). The dates do not have to be the same.
4. Collect and bring a type set of U.S. coins currently in circulation (Requirement 7). This type set must include one specimen each of the 1 cent, 5 cents, 10 cents, 25 cents, 50 cents and dollar. The dates do not have to be the same.

Any mint is acceptable. All coins must be of the same denomination.

### AT THE WORKSHOP ...

Everyone will learn a lot about collecting U.S. coins. Bring only the coins required for the merit badge; please leave the rest of your collection at home. Scouts will complete other requirements during the workshop and then will be reviewed. Parents and adult leaders are welcome and encouraged to attend. Check in begins at 9:30 a.m. We encourage you to allow ample time before or after the workshop for Scouts to explore the collector exhibits, displays of the U.S. Mint, the U.S. Bureau of Engraving and Printing and other interesting areas of the coin show. The show is open 9:30 a.m. to 5:30 p.m. on Saturday.

### SCOUTMASTERS ...

Please provide Scouts with signed Merit Badge Cards and ask them to complete all personal information (name, address, etc.). Certified Merit Badge Counselors will be leading the workshop and will sign the cards upon completion of the requirements. Tell your Scouts to bring note pads and pencils, and their completed type and date sets of coins. Remind Scouts to wear their complete Scout uniform. Scoutmasters should provide a copy of this flyer to Scouts planning to attend the workshop so they can study the requirements.
